## CHILD RESTRAINT SAFETY

Police Officer Sean O'Connor is certified in Child Restraint Safety. You can contact him at 914 738-1000 to make an appointment for him to inspect your child restraint or booster seats. He can also ensure that your child seat is being used correctly or assist you in choosing the proper child safety seat or booster seat that is appropriate for a child's age and weight.

It is important to make sure your child is secured properly when you drive with them. Using a car seat correctly can prevent injuries.
